

PARTY with a PURPOSE

The party was on at the Equine Sales Facility, Wednesday, September 27, 2023. Nearly 100 horsemen and women came for the Pre-Sale Party and LTBA PAC Fundraiser.

In addition to the excellent fare provided by Wendy Clavelle Fryer, attendees were treated to remarkable music performed by The Coteau Grove Project, a group which includes several Louisiana Music Hall of Fame artists. LTBA wishes to show great appreciation to Keith and Ginger Myers for donating the funds for the band's performance.

The event was very successful, raising nearly \$9,000 towards the LTBA PAC which will represent the LTBA at the Louisiana Legislature with any issue relating to our industry.
